School days interview

15 POINTS

Ask an older person in your family what school was like for them. Write their answers, or ask a grown-up to write while you ask the questions. You can record them on a phone too.

I interviewed _____ **They are my** _____

They started school in about _____ **Their school was called** _____

1 **How did you get to school?**

2 **What did your classroom look like?**

3 **What did you write with, and on?**

4 **What was your favourite lesson?**

5 **What were the rules? What happened if someone broke one?**

6 **What did you eat at lunchtime?**

School days interview

15 POINTS

7 What games did you play at playtime?

8 Did you wear a uniform? What was it like?

9 Were there any computers, TVs or calculators at school?

10 What was your teacher like?

11 Did you get homework? What was it?

12 What is your best memory of school?

? My own question:

Name _____ Date _____

Then and now

15 POINTS

Fill in both sides. Then circle each row: **same** or **different**.

	Then: when they were at school	Now: me at school
